THE PREZ SEZ

by
Chris Davis

March 2019

We will have a full agenda for the March Club Meeting. Cancelling the January Meeting pushed everything back a month. Normally we have our **POTLUCK DINNER** in February, but this year it will be held at our **March Meeting**. Everyone brings their favorite food. The main object of this meeting is to eat. Lord knows, after fasting over the holidays, we all need to concentrate on eating, and see if we can put some of that weight back on. Of special note, we will start the meeting (more properly, *eating*) at **6:30 p.m.**, rather than our normal 7:30 p.m. Please arrive early to set out your dish so we can start on time; even earlier if you have Find of the Month entries to process.

We will also present our **SPECIAL AWARDS for 2018** at the March Meeting. These Awards include:

The DAN SPROUSE MEMORIAL AWARD (also known as the President's Award). This award is presented by the President to the Club member he/she feels helped him/her the most during the preceding year.

The GENE KOTLAN AWARD. The winner was selected at the December Meeting by secret ballot vote by the General Membership. The recipient is chosen on the basis of the fellow Club member who has contributed the most for the good of the Club during the preceding year.

The CHARLES A. JOHNSON AWARD (also known as the Member of the Year Award). This member is chosen by the Board Members and presented to the non-Board Club member who has persistently and unselfishly volunteered his or her time, materials and services to the Club during the preceding year.

At our March Meeting we will also reveal our FINDS OF THE YEAR winners for 2018 in the Coin, Jew-

(Continued from page 1)
elry, Token, Artifact and Gold categories. We had some great entries to choose from.

Our Officers for 2019-20 include: President - Chris Davis, Vice President - Boots Lewis, Treasurer - Linda Kibler, Secretary - Nancy Faires, Newsletter Editor - Bruce Morton, and Board Members Tom Peeples, Alan Bravo, Linda Erickson, Jan Hallez, Win Faires, Brian Henry, and John Olson. Retiring Officer: Jeff Lubbert. Retiring Board Members are Sheri Muehlbaur, Norm Ruggles and Vince DiPrimo.

I wish to thank all of these officers and board members for their service and dedication to the Club.

In-Town Hunt Information

In-Town club hunts are meant to be fun, first and foremost. They provide a context outside of the meetings for fellowship with club members. To put on an in-town hunt you need to:

- Schedule with the Hunt Coordinator or President (see the contact list).
- Provide the Hunt Coordinator a plan.
- Send the hunt flyer to the newsletter editor in an appropriate format for insertion into the newsletter (see the contact list).
- Provide flyers at the monthly meeting.
- Ensure the hunt rules are discussed BEFORE the hunt.
- Police the hunt.
- Decide if the hunt is a members only or an open hunt (non-members may hunt).
- Write a story for the newsletter and send it and accompanying photos to the newsletter editor prior to that month's deadline.

To ensure the continuation of this hobby and to provide the best impression of Eureka! and its membership, you, as hunt master, MUST enforce all rules, including:

1. Pouches to store finds and trash must be worn and used at all times during the hunt.

2. All hunters must wear headphones.

3. Absolutely no tolerance of holes left open (a first warning, followed by a time-out or expulsion from the hunt).

4. Hunters digging and leaving trash of any sort on the hunt field will receive the same treatment discussed above.

All hunts will need to be okayed by Hunt Coordinator (see the contact list) prior to officially being put in the newsletter and put on.

Failure to follow the guidelines may result in hunts being cancelled.

Hunts may be paid for in advance. This helps the hunt master with planning for how much should be planted in the field. In case a person must miss the hunt, their prepaid fee may be refunded if they call the hunt master before the hunt and cancel, other circumstances will be reviewed. No refund will be given for just plain failure to show up to the hunt.

Who's New

by Bruce Morton

Marty Stone joined Eureka! last month having been introduced to us by his cousin (don't hold this against him) Alan Bravo. He's been around Denver (Littleton) since 1990 as a transplant from Massachusetts [you know, where the Patriots are from.]
He's a working stiff (Blue Ribbon Home Warranty) but still managed to get out and show us all up at the last breakfast club by finding a silver ring after having been detecting for only a few weeks!
He's swinging a Garrett AT Pro, when he's not playing racquetball, coin collecting, or reading.
Welcome aboard, Marty.

My Funny ValenDime Hunt

by
Linda Kibler, Huntmaster

The Eureka! monthly hunt came together at Arapahoe Park in Arvada on Sunday the 10th of February. The weather was sunny with a breeze and patches of snow. It was a spectacular day for a February hunt.

There were 25 hunters and 6 volunteers helped plant more than 1100 targets. The silver targets were surrounded on both side by pull tabs, bottle caps, washers, and pennies, hence the hunt theme My Funny ValenDime. The hope was to provide a creative way to learn detector sounds. There were also clad targets and donated silver rings.

We shared coffee, coco, and muffins and cookies before and after the hunt. Everyone seemed pleased to have an opportunity to get out and be together.

A few days after the hunt, the hunt field was searched for unrecovered targets. There were 2 clad dimes and 1 silver funny dime found. The Eureka! hunters had cleaned the hunt field!

Eureka! Breakfast Club

by
Chris Davis

First Friday

Twelve individuals attended the February 1, 2019 Breakfast Club. I must admit, I was a little skeptical we would be able to make a hunt. I have had at least 6" of snow on the ground at my house in Franktown for 3 weeks. However, as I drove into town, I could see a good bit of snow melt, particularly on the southern exposures.

After breakfast, we drove over to Ruby Hill Park to give it a try. Ruby Hill is a popular sledding hill. After the snow melts, it is often possible to find lost items laying on top the ground. As hoped, the south slopes were snow free and not even frozen. We did not find a single ring (if you ignore the plastic skull ring Ken found), but everyone still had fun. Jeff M. and I each recovered about $4 in change. Pete found an earring and a key. We did not find anything spectacular, but I've got to tell you, after all the snow and freezing weather we been getting lately I was pleased just to get out. I had almost forgotten how to turn my machine on. Almost.

(Continued on page 17)

(Continued from page 16)

February 16th, Third Saturday

The weather for our bi-monthly outing was marginal. Due to a series of subfreezing weather days, much of the ground was frozen. As result, I was skeptical we would be able to make much of a hunt, but I was willing to settle for a good breakfast. Then, at the last moment, I got a call from Lori Atencio. She had secured permission for the Breakfast Club to make a hunt on the White Fence Farm property. The White Fence Farm had been a popular restaurant for years. We had at least one of our Holiday Parties there.

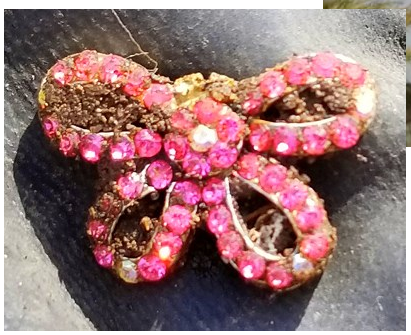
At this point I must stress, the *White Fence Farm property is not open to metal detecting except by special permission*. If individuals start sneaking onto the property without permission, they will ruin it for all of us, on this and other potential properties in the future.

We had an excellent turnout for the Breakfast Club. Twenty individuals showed up. We had breakfast at the Lookin' Good Restaurant, then proceeded over to the White Fence Farm. Some of the ground was frozen, but was diggable in other places. We did quite well. The number of coins found was a bit surprising, considering the site had already been hunted twice. There was still a carpet of coins out in front of the Gazebo. I thought I was doing well with a find of 75 coins until I checked with Mike M. In the center of the Gazebo is a small ring of wooden benches. Mike brushed away the leaves in the center of this ring and picked up over 100 coins, just laying on the wooden planks. I think I can safely say, Mike was the big winner in coin count. Three of us, Win, Mike and I, scored in the glass cup category, finding glasses from the restaurant. Glass gives a real low VDI reading on my machine. Bruce M. picked up a nice little pen knife. Alan B. got an earring and a $2

(Continued on page 18)

(Continued from page 17)

Canadian coin. Jeff M. dug up a kiddie ring. The big winner on the day was Marty S. Marty pulled out a man's silver high school class ring. Right next to it, he found a high school Senior pendant. My best find was a sprinkler head. I want you to know, it is hard digging up sprinkler heads. It started snowing around 12:30, and everyone without snowshoes left.



Membership renewal is due by April meeting date
